

What to Bring to "Teen Survival" week

Gear and Supply List:

Below is a list of items that are recommended for "Teen Survival Camp". This list includes a great deal of forethought, preparation and experience and should be seriously considered. Unless listed as "optional" these items should be brought to camp. This list is based on the 2017 program and should not be compared to previous years' or programs.

Note: After the 1 mile hike to base-camp, campers will have an opportunity to thin out items that may not need to be carried all week, yet are still needed for camp (i.e. chapel shirts).
